OUR OSHC COMMUNITY

PARTNERING WITH YOU AND YOUR CHILD

Grange Primary School's Out of School Hours Care (OSHC) Program was created to support the growing needs of our school and local community, providing a safe and nurturing space for primary school-aged children outside of regular school hours.

At OSHC, we believe in creating a relaxed, friendly, and inclusive environment where children feel safe, valued, and inspired. Our program encourages exploration, creativity, and play-based learning, helping children to grow socially, emotionally, and academically at their own pace.

We understand the demands of busy families, which is why our service is designed to be reliable and convenient, with hours that fit around your working day.

Whether your child is joining us for fun, friendship, or learning new skills, OSHC is a place where they can belong, thrive, and enjoy every moment.

AN AFFORDABLE SERVICE

COST

Our fee structure is reviewed and set by the Governing Council each year to ensure affordability while maintaining a high-quality OSHC program.

We understand that childcare costs can add up, which is why families may be eligible for the Child Care Subsidy (CCS) to help reduce out-of-pocket expenses.

For more information on CCS and how to apply, visit the Department of Human Services website or call 13 61 50 for assistance.

We're here to help, if you have any questions about fees or subsidies, please don't hesitate to reach out to us.

HEALTHY EATING AT OSHC

MENU

At Grange Primary School OSHC, we believe in fostering healthy eating habits and positive attitudes toward nutrition during childhood, setting the foundation for long-term wellbeing.

To support this, we provide:

- Morning Tea – A nutritious start to the day.
- Afternoon Tea – A balanced and satisfying snack.

Our menu includes a variety of fresh, wholesome, and balanced foods, ensuring children have the energy to learn, play, and thrive.

We strive to create a welcoming mealtime environment where children enjoy fresh, nutritious food while developing healthy habits that will last a lifetime.

Our menu is thoughtfully planned to ensure every child feels included, supported, and well- nourished throughout their day at OSHC.

A FLYING START TO SCHOOL

WELCOMING OUR NEW RECEPTION CHILDREN

At Grange Primary School OSHC, we are here to support families by making the transition to school easier and ensuring your child is safe, happy, and well cared for. We take the worry out of drop-offs and pick-ups—our dedicated educators personally collect children from their classrooms each afternoon and bring them to OSHC.
In the mornings, we safely escort them to their classrooms, ensuring they are ready for the school day ahead.

We understand that starting school is a big milestone, which is why we offer a special opportunity for Reception children to join our July and December/January Vacation Care before they officially begin school. This gives them a fun and supportive introduction to the school environment, helping them build confidence, form friendships, and feel comfortable in their new surroundings.

Through play-based activities, guided exploration, and caring interactions, we nurture independence and social connections, ensuring every Reception child begins their school journey with excitement and ease.

We look forward to welcoming your child to OSHC and supporting them on this exciting new journey.
